Felix Höflmayer is a research group leader at the Austrian Archaeological Institute of the Austrian Academy of Sciences, co-directed the Austrian excavations at Tel Lachish (Israel) from 2017-2023, and is currently working on legacy data of the Austrian and German excavations at Tell Balata (Shechem).

Agnes Woitzuck is a student assistant at the research group Archaeology of the Levant at the Österreichisches Archäologisches Institut of the Österreichische Akademie der Wissenschaften. She served as square supervisor in the Austrian excavations at Tel Lachish (Israel) and conducted a project on Ernst Sellin's relations with the Academy of Sciences. She will also publish part of the pottery assemblage excavated at Tell Balata and now stored at the Kunsthistorisches Museum in Vienna.
