THESE DETAILS:

MEETING ID:  
**885 1729 8718**

PASSCODE:  
**887879**

**Nadia Ben-Marzouk** received her Ph.D. in Levantine Archaeology from UCLA in 2020. From 2021-2023 she was a postdoctoral researcher on the SNSF Sinergia project, "Stamp Seals from the Southern Levant." Her research examines eastern Mediterranean craft production systems, with a focus on the identities and embodied knowledge of producers, and the contexts in which production-related knowledge was transmitted.
